## Enrolling in Primary School

*To start primary school your child will need to turn five years of age by 30 April of the year that they start school. Your child must be at school in the year that they turn six years of age – this is the compulsory school starting age.*

## How to enrol

To enrol your child in Victorian government school you will need to fill out an enrolment form available at the school office or online. This provides the school with important information about your child, including:

- evidence of your child's date of birth (if they were not born in Australia, a passport or travel documents such as a visa)
- your contact, phone and address details, and that of any parent, guardian and/or carer
- names and contact details of emergency contacts
- Doctor's and dentist names and phone numbers
- Immunisation Status Certificate
- health and welfare information
- information about the language/s your child speaks and hears at home

If you need an interpreter to help fill out the enrolment form, the school staff can organise this for you.

Our transition program Ready Set Go! (Prep 2019) Commences in August. You will receive information in the mail in July. We encourage your child to attend these days so that your child can familiarise themselves with the school environment.
