
2025 Parent Payment- Year 5

Dear parent/guardian,

Chandler Park Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to start to re-equip our classrooms with new resources and support the continuation of 'inquiry practice learning', where our children learn through activities and practical examples. Furthermore, we have been able to expand learning experiences in our home rooms and specialist programs and enhanced digital learning opportunities with provision and access to laptops and iPads with also the upgrade of 6 new Promethean Interactive classroom boards.

Attached are the following documents for your reference:

- 2025 Parent Payment Schedule for your child's year level
- List of Payment Methods
- Department of Education's Parent Payment Policy Overview

We also offer flexible contribution arrangements if you prefer to contribute flexibly payments throughout the year. Please contact Deb Panakos (Business Manager) on 9798 2228 or despina.panakos@education.vic.gov.au to arrange.

Yours sincerely,

Steve Gammon
